

Support your PTSA (Parent, Teacher, Student Association)

The SLHS PTSA is committed to furthering the education of every student. We work to strengthen communication through our weekly KIT messages, periodic newsletter, web site, and FAQ brochure; sponsor activities which support and recognize academic achievement (through the Academic Boosters committee); and organize and run many other activities to support of the SLHS administration, faculty, and students. To make sure you receive PTSA weekly information, sign up at www.fcps.edu/kit as a South Lakes High School parent.

Membership dues are our primary source of income. Joining the PTSA helps us continue all these important programs. You can also show your support by making a tax deductible donation, purchasing a student directory or directory ad, or volunteering for an activity or event. Return this form with your check or do everything quickly and easily with our discounted online pricing at www.southlakeptsa.org/join.html.
